Parent Meet with Family Support Team and 8 Parents – 19/04/2024

- Previous meetings feedback was given with the headteachers response, parents agreed with the feedback.

- Parents were advised about the positive feedback from the SEN consultation sent out to staff, parent/carers and governors and the imitative to go ahead. The proposals are good for both the school and the wider community and we are very pleased to be able to facility these children's needs. The group were in agreement and very supportive of this provision for the next academic year.

- The group were advised about the successful book swap event and that this could be a termly event. We also advised that there will be a uniform and shoe swap towards the end of the summer term.

- The group were advised about the Anti-Poverty Strategy in place by the local authorities remit to tackle poverty in Manchester. The feedback was really supportive and they were advised that surveys will be going out via email and by hand to parents towards the end of next week.
